

**Calgary**

Jyoti Gondek, Mayor

## PROCLAMATION

*Wear Red Canada Day* is celebrated across our country to raise awareness about women's heart health. While cardiovascular health is crucial for all Canadians, it is especially important for women, as heart disease is the leading cause of premature death among women worldwide.

Whereas: The symptoms and risk factors of cardiovascular disease in women differ from those in men, making it crucial for women to be aware of these differences;

Whereas: Heart disease in women is largely preventable, yet it remains an overlooked and undertreated issue, affecting 32,000 Canadian women each year.

Whereas: Calgarians are encouraged to wear red on February 13 and learn more about protecting their heart health.

On behalf of City Council and Calgarians, I hereby proclaim February 13, 2025 as:

### WEAR RED CANADA DAY
